

MY Bird BOOK

NOTORNIS MANTELLI

Name of Bird Watcher:

Note to Parent:

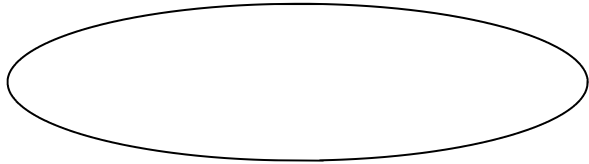

This is set to print on A5 paper. I printed them on a duplex setting so that the bird details will face the picture or photo of the bird.

Print of as many copies of pages 3 & 4 as you desire. Take your printout to your local print shop and ask them to bind them (they will have to use A4 binding and cut off the remainder).

Enjoy your bird watching!
